

MAYOR'S PERSONAL STATEMENT ON SAFETY AND HEALTH

- Every employee of the City and County of Honolulu has a basic right to work in a safe and healthy environment. Safety is equal in importance to every other aspect of City service.
- Managers and supervisors are responsible for safety in the workplace. This requires each manager and supervisor to take the actions necessary to prevent accidents and injuries.
- Employees of the City are responsible to work safely. This requires all of us to learn to do our jobs safely without causing accidents or injuries to others and ourselves.
- All accidents and injuries are preventable. Only when there are no accidents or injuries can we take credit for a job well done.
- Safety is a condition of employment for everyone who works for the City and County of Honolulu. Each employee will be held accountable for doing his or her job safely.
